New England (NH, ME, MA, RI, CT)	95
Alaska/Hawaii	7
United States	1386

SCIENTIFIC RESEARCH

As the most significant educational event in neuroradiology, the ASNR Annual Meeting consistently serves as the best source of current scientific research in neuroradiology. At the 41st Annual Meeting held in 2003 in Washington, DC, scientific presentations were offered in the following categories.

Scientific Papers/Oral.....	344
Scientific Paper/Posters.....	95
Scientific Exhibits.....	75
Excerpta Extraordinaire.....	63
Computer Assisted Exhibits.....	14

TOTAL PRESENTATIONS.....591

ATTENDANCE FIGURES

Neuroradiologists and Allied Scientists.....	984
<i>(Member and Non-Member)</i>	
Neuroradiology Fellows.....	226

Total Professionals.....1210

Commercial Representatives.....	335
Others.....	80

TOTAL MEETING ATTENDANCE.....1625

ATTENDING INSTITUTIONS

The attendee profile from the ASNR Annual Meeting is diverse and includes representatives from world renowned universities and hospitals from the United States, Canada and worldwide. *(This list represents a sampling of institutions.)*

Brigham & Women's Hospital	Stanford University Medical Center
The Children's Hospital of Philadelphia	Servizio di Neuroradiologia, Bologna, Italy
Cincinnati Children's Hospital Medical Center	Universite de Montréal, CHUM-Hospital
Duke University Medical Center	University College London, England
Emory University Hospital/School of Medicine	University Hospital Antwerp, Belgium
Georgetown University Medical Center	University of California, Health Systems
The George Washington University Medical Center	University of Chicago
