

Neuroradiology Education and Research (NER) Foundation
 Symposium 2005: Head and Neck Neoplasms:
 Advanced Imaging Applications: What Neuroradiologists Need to Know
 and ASNR 43rd Annual Meeting
 May 21-27, 2005
 Metro Toronto Convention Centre
 Toronto, Ontario, Canada
Preliminary Program (3-30-05 con)

(Meals and Breaks: Breakfast, Morning and Afternoon Coffee Services, and Boxed Lunches will be provided throughout the week). All Symposium session will take place in Room 102/Auditorium or TBD.

<u>Day/Date/Time</u>	<u>Session #</u>	<u>Function</u>	<u>Location</u>
Saturday, May 21	The Neuroradiology Education and Research Foundation Symposium 2005- Head and Neck Neoplasms: Advanced Imaging: What Neuroradiologists Need to Know		
1:00pm - 2:40pm	SY1 CEU 1.75	IMAGING ADVANCES: WHICH ARE READY FOR PRIME-TIME?? <i>Moderator: Lawrence E. Ginsberg, MD</i>	Theatre
	1:00pm -1:05pm	Introduction - Patricia A. Hudgins, MD, ASNR President-Elect/Program Chair	
	1:05pm - 1:45pm	Multi-detector CT: Applications, Techniques, and Pitfalls - Lawrence E. Ginsberg, MD	
	1:45pm - 2:05pm	Magnetic Resonance in the Head and Neck: Optimizing Protocols, Including 3T - William P. Dillon, MD	
	2:05pm - 2:40pm	Molecular Factors in Head and Neck Cancer: What the Radiologist Needs to Know About Angiogenesis, Epidermal Growth Factors, and Just What is p53? - Jeffrey N. Myers, MD, PhD	
2:40pm - 3:00pm		AFTERNOON BREAK	Theatre Foyer
3:00pm - 4:30pm	SY2 CEU 1.50	PET/CT FUSION: WHAT CAN IT REPLACE? <i>Moderator: Suresh K. Mukherji, MD</i>	Theatre
	3:00pm - 3:30pm	PET/CT: Science & Techniques - Richard Wahl, MD	
	3:30pm - 4:00pm	Limitations & Pitfalls of PET/CT in the Head and Neck - David M. Schuster, MD	
	4:00pm - 4:30pm	Staging Head and Neck Neoplasms with PET/CT - Suresh K. Mukherji, MD	
4:35pm - 5:30pm	SY3 CEU 1.00	NODAL DISEASE IN HEAD AND NECK CANCER <i>Moderator: Patricia A. Hudgins, MD</i>	Theatre
	4:35pm - 5:30pm	The Cervical Lymph Nodes: What We Need to Know and Why We Should Care About Them - Peter M. Som, MD	

6:30am - 7:55am		BREAKFAST	Room 105/106 Foyer
6:50am - 7:50am		HOW-TO SESSION BREAKFAST Sponsor: Vital Images, Inc.	Room 105/106
8:00am - 9:15am	SY4 CEU 1.25	NODAL DISEASE: SURGICAL ISSUES AND TREATMENT <i>Moderator: Anton N. Hasso, MD, FACR</i>	Theatre
	8:00am - 8:25am	Management of the N0 Neck - Amy Y. Chen, MD, MPH	
	8:25am - 8:50am	Nodal Disease in Head and Neck Cancer: Management of the Positive Neck - Michael Kaplan, MD	
	8:50am - 9:15am	Imaging of the Post-treatment Neck -Anton N. Hasso, MD, FACR	
9:15am - 9:45am		MORNING BREAK	Theatre Foyer
9:45am - 11:00am	SY5 CEU 1.25	SQUAMOUS CELL CARCINOMA OF THE LARYNX AND HYPOPHARYNX <i>Moderator: Hugh D. Curtin, MD</i>	Theatre
	9:45am - 10:30am	Squamous Cell Carcinoma of the Larynx and Hypopharynx Sectional, Multiplanar Imaging and PET - Hugh D. Curtin, MD	
	10:30am - 11:00am	Update on Multimodality Treatment of Head and Neck Cancer - Merrill S. Kies, MD	
11:00am - 12:30pm		LUNCH BREAK	Room 105/106 Foyer
11:20am - 12:20pm		HOW-TO SESSION LUNCH Sponsor: Siemens Medical Systems, Inc.	Room 105/106
12:30pm - 2:30pm	SY6 CEU 2	SQUAMOUS CELL CARCINOMA OF NASOPHARYNX & OROPHARYNX <i>Moderator: Nancy J. Fischbein, MD</i>	Theatre
	12:30pm - 1:00pm	Squamous Cell Carcinoma of Nasopharynx and Oropharynx Sectional Imaging, Including Magnetic Resonance and PET Nancy J. Fischbein, MD	
	1:00pm - 1:30pm	Brachytherapy: Applications in Head and Neck Louis B. Harrison, MD	
	1:30pm -2:00pm	Viral Factors in Head and Neck Cancer (EBV and HPV) - Maura L. Gillison, MD, PhD	
	2:00pm - 2:30pm	Intensity Modulation Radiation Therapy - What It Does and How We Do It - Peter A.S. Johnstone, MD, MA	
2:30pm-3:00pm		AFTERNOON BREAK	Theatre Foyer
3:00pm - 5:30pm	SY7 CEU 2.5	RECURRENT DISEASE: ANATOMIC AND FUNCTIONAL IMAGING FINDINGS <i>Moderator: Laurie A. Loevner, MD</i>	Theatre
	3:00pm - 3:30pm	CT/PET in Post-Treatment Neck Laurie A. Loevner, MD	
	3:30pm - 4:00pm	Ultrasound and Nodal Sampling in Posttreatment Neck: Principles and Practice Anil T. Ahuja, MD	
	4:00pm - 4:30pm	Intraoperative Radiation Therapy Louis B. Harrison, MD	
	4:30pm - 5:30pm	Surveillance Imaging: How and How Often? -Peter M. Som, MD and Panel Discussion	
5:30pm - 7:00pm		HOW-TO SESSION RECEPTION Sponsor: Microvention	Room 105/106
