## Invitation to Fellows to Join ASNR as a “Member-in-Training”...

The ASNR encourages all Neuroradiology Fellows in an ACGME or RCPSC-accredited program to take advantage of the valuable resources available from the only society dedicated to serving the needs of those involved in neuroimaging, neurointervention, and the related neurosciences. **As an incentive to apply for *Member-in-Training* status while you work through your fellowship, ASNR is offering free membership while in a one or two-year Neuroradiology fellowship.** That’s right, you would pay no membership dues or application fees during your fellowship!

As a *Member-in-Training*, you will receive:

- **Access to the online version** of the *American Journal of Neuroradiology (AJNR)*, the preeminent journal in Neuroradiology.
- **Opportunity to register early for the ASNR Annual Meeting**
- **Access to the “Members Only” section** of the ASNR website. Network with your peers by searching the **online membership directory**, and gain free access to instant, **online continuing medical education** through ASNR eCME.
- Electronic member newsletter
- Member mailings

**You will be notified of your acceptance as a *Member-in-Training* by e-mail, when your application has been processed.**

To take advantage of this special offer, complete and return the *Member-in-Training* Application today!
