

ASNR

Membership Information

The American Society of Neuroradiology is an organization of over 4,000 neuroradiologists and related professionals, dedicated to maximizing the benefits of neuroradiology to patients by promoting the highest standards for training and practice, and fostering research in the field.

Enclosed is information on:

- ◆ **Membership Categories and Criteria**
- ◆ **Membership Dues**
- ◆ **Membership Benefits and Services**
- ◆ **Society and Foundation Awards**
- ◆ **Membership Applications for *Senior, Member, Research Scientist, and Member-in-Training* status**

This application is also available at <http://www.asnr.org/asnr/brochure>.

APPLICATION PROCEDURE

Membership benefits and services will begin after a completed application has been received, processed, and applicants have been notified via e-mail of their acceptance as an ASNR member.

ASNR will initiate a subscription to the *American Journal of Neuroradiology (AJNR)* upon receipt of prorated membership dues, and fees paid for the unused portion of a personal subscription will be refunded.

APPLICATION DEADLINE

To register for the ASNR Annual Meeting & The Foundation of the ASNR (ASNR Foundation) Symposium at the reduced member rate, a completed application and required documents must be received at least 6 weeks prior to the start of the Symposium. Check our website for upcoming meeting dates and additional information (www.asnr.org).

American Society of Neuroradiology
2210 Midwest Road, Suite 207
Oak Brook, IL 60523-8205
Website: www.asnr.org

Membership Department
Phone: 630-574-0220 ext. 234
Fax: 630-574-0661
E-mail: bmack@asnr.org

Membership Categories and Criteria

Senior Member:

1. Shall be a radiologist certified by the American Board of Radiology, Royal College of Physicians and Surgeons of Canada (RCPSC), The American Osteopathic College of Radiology, or other Board or Tribunal which, in the judgment of the Executive Committee, is of equivalent rank.
2. Shall have completed *one* of the following criteria:
 - a. Completion of a one or two-year ACGME or RCPSC-approved fellowship program in Neuroradiology, and passage of the ABR Subspecialty Certification exam in Neuroradiology.
 - b. One year of formal fellowship training in neuroradiology and a second year of experience primarily in neuroradiology, and/or subspecialized area of neuroradiology, during which 90% is performed under the supervision of a *Senior* member in an institution with an accredited radiology residency program.
 - c. One year of formal fellowship training in neuroradiology under the supervision of a *Senior* member in an institution with an accredited radiology residency program, and three years of subsequent radiology practice during which 50% of the practice time is documented in neuroradiology.
3. Shall be engaged in active practice of neuroradiology and/or a subspecialty of neuroradiology in a North American country, devoting at least 50% (exclusive of administrative duties) to the professional practice of neuroradiology.

Member: Shall be other neuroradiologists, radiologists, or physicians with an interest in Neuroradiology, who may not fulfill the requirements for *Senior* membership.

Research Scientist: Shall be a physicist (PhD) or neuroscientist (MS, PhD) with an interest in and/or position relevant to Neuroradiology or Radiology, and who may not fulfill the requirements for *Senior* membership.

Member-in-Training: Shall be a physician in an ACGME or RCPSC-accredited (Canadian) Radiology residency or Neuroradiology fellowship program.

Membership Dues

Prorated dues (to the right) include the application fee.		1 st Qtr.	2 nd Qtr.	3 rd Qtr.	4 th Qtr. *
Category	Annual Dues	Jan-March	Apr-June	July-Sept	Oct-Dec
Senior	\$650 + \$100 application fee	\$750	\$588	\$425	\$750
Senior (Military)	\$230 + \$100 application fee	\$330	\$273	\$215	\$330
Member	\$575 + \$25 application fee	\$600	\$457	\$313	\$600
Member (1 st year out of Neuroradiology fellowship)	\$375 + \$25 application fee	\$400	\$307	\$213	\$400
Member (Military, Radiologists, and those outside North America)	\$230 + \$25 application fee	\$255	\$198	\$140	\$255
Research Scientist (Physicists [PhD] or neuroscientists [MS, PhD])	\$0 (for the first 2 years)	\$0	\$0	\$0	\$0
Member-in-Training (Radiology Residents and Neuroradiology Fellows)	\$0 (2-year maximum for Neuroradiology Fellows)	\$0	\$0	\$0	\$0

*When dues are paid during the 4th Quarter, membership will be valid through the following year.

Membership Benefits and Services

- ◆ **Print subscription for the *American Journal of Neuroradiology*** (for *Senior* and *Member* only – *Members-in-Training* receive the online version only) ... eleven issues of the internationally recognized journal, which is the primary source of information regarding all aspects of neuroimaging
- ◆ **Access to *AJNR Online*** at www.ajnr.org, providing an online library of past and present journal articles, plus the *AJNR Blog*, *Podcasts*, *Fellows Journal Club*, *Case of the Week*, and *Special Collections* series
- ◆ **Early registration and discounted fees** to attend the ASNR Annual Meeting and The Foundation Symposium
- ◆ **“Members Only” section of the ASNR website**, providing online continuing medical education (CME) and self-assessment modules (SAMs) through *ASNR eCME*. Members can also streamline their Maintenance of Certification (MOC) administration through reporting of their credits via the CME Gateway at www.cmegateway.org.
- ◆ ***Neurographics***, ASNR’s new quarterly online educational journal at www.neurographics.org.
- ◆ ***ASNR E-News* online newsletter** and **electronic member mailings**, providing the latest Society news and information you need to know
- ◆ **Advocacy** for the interests of Neuroradiology regarding **Coding, Reimbursement, Quality Initiatives** and government policy; development and review of **Practice Guidelines** and **Technical Standards**; dissemination of pertinent coding, reimbursement and government policy information.
- ◆ **Opportunity to vote and hold office** (*Senior* members only)
- ◆ **Opportunity to serve** on Standing and Ad Hoc Committees
- ◆ **Membership certificate**, announcing membership in the Society (*Senior*, *Member*, and *Research Scientist* categories only)
- ◆ **Patient Education Pamphlets** on *Stroke*, *Arteriovenous Malformations*, and *Aneurysms* at reduced member cost
- ◆ **Attendance** at the “members only” ASNR Annual Business Meeting that takes place during the Annual Meeting

Awards offered by the ASNR and The Foundation of the ASNR

- ***Gold Medal Award*** ... fosters the highest standards of the ASNR, based on exceptional quality, service, and excellence. It emphasizes both professional and personal attributes... individuals who are superb neuroradiologists and/or scientists, and are also truly outstanding people. The recipients are individuals who have extended themselves beyond furthering their own careers, through contributions at all levels of the professional strata, with an accent on consistency and duration of these outstanding contributions. Presentation of the Gold Medal is made at the Society's Annual Meeting.
- ***Cornelius G. Dyke Memorial Award*** ... was established in 1971 to honor the late Cornelius G. Dyke, one of the pioneers in Neuroradiology. It is available to radiology fellows or junior faculty (assistant professor level or below). This recognition is awarded to an individual based on careful review of the submitted work by the Research Committee. The award offers an opportunity to have one's work presented to the membership at the Annual Meeting, and possibly, published in the *American Journal of Neuroradiology*. It provides the recipient with an honorarium, complimentary Annual Meeting registration, hotel, and transportation.
- ***Trainee Award*** ... presented for the first time in 2010 for the best paper presented at the Annual Meeting by a fellow, resident, or medical student. The award is an honorarium.
- ***ASNR Foundation Scholar Award in Neuroradiology Research*** ... initially awarded in 1998, this award was created for young investigators in the early phase of their careers, to enhance their competency in areas important to the future of Neuroradiology, including health services research, physiological imaging and interventional neuroradiology. Recipients receive a generous award.
- ***ASNR Foundation Award in Comparative Effectiveness Research*** ... was initiated in 2010 to support investigators in the generation and synthesis of evidence that compares the benefits and harms of alternative methods to prevent, diagnose, treat, and monitor a clinical condition, or to improve the delivery of care. Recipients receive a generous award.
- ***ASNR Foundation Research Scientist Award*** ... was initiated in 2010 for Ph.D. scientists who are ASNR members. Recipients receive a generous award.
