

ANNUAL BUSINESS MEETING
Wednesday, May 19, 2010
11:45 AM– 12:10 PM
Hynes Convention Center, Boston, Massachusetts

I. Call to Order – John R. Hesselink, M.D., FACR

The meeting was called to order at 12:00 Noon.

II. Secretary's Report – Howard A. Rowley, M.D.

The minutes from 2009 Annual Business Meeting in Vancouver were approved.

III. Treasurer's Report – Gordon K. Sze, M.D.

Despite hard times, the Society has done extremely well financially. Although there was a dip in 2008 and 2009, market value is very near its peak, primarily due to rebalancing of the portfolio and purchasing stock when it was low. The result has been a performance whereby reserves are only down one to two percent. Operating expenses are in line with those of previous years.

IV. Report of Standing Committees – John R. Hesselink, M.D., FACR (reports for the Chairs)

A. Membership (Chair, Lawrence E. Ginsberg, M.D.)

Total membership stands at 4,511, with the admission of 306 new members, of which 205 are *Members-in-Training*.

B. Nominating – (Chair, Allan J. Fox, M.D., FRCP, FACR)

Last fall, *Senior* members were polled for nominations for the Executive Committee. Following are the results of the electronic elections:

***Vice-President* – Pamela W. Schaefer, M.D.**

Massachusetts General Hospital, Boston, MA

***Secretary* – David J. Seidenwurm, M.D.**

Radiological Associates, Sacramento, CA

***Member of the Nominating Committee* – Jeffrey R. Petrella, M.D.**

Duke University Medical Center, Durham, NC

V. Unfinished Business

There was no unfinished business to report.

VI. New Business

ASNR members were asked to bequest endowments to the Society for awards.

VII. Installation of Officers – John R. Hesselink, M.D., FACR

Dr. Hesselink turned the gavel over to Dr. Meltzer. She then presented framed certificates to the retiring Officers, Dr. Hesselink (as Past-President), and Dr. Rowley (Secretary), and she thanked Dr. Robert I. Grossman, who is retiring as Third Past-President from the Executive Committee.

Dr. Meltzer turned the podium over to Dr. David Hackney, the new President-Elect, who highlighted the 2011 Annual Meeting in Seattle, early next June. The program will have MOC and SAM sessions; and approximately 50 hours of CME credit will be available. As always, subspecialty programming will be included, and the Neuroradiology of Trauma is the topic for the Symposium.

VIII. Adjournment

The meeting adjourned at 12:20 pm.

Respectfully submitted,

Bonnie Mack, *Society Coordinator*
