### Composition

Voting members: President, President-Elect, Vice-President, Secretary, Treasurer, one Member-at-Large, the three most recent Past-Presidents, the chairs of the Health Policy, Research, Education, Fellowship Directors, Membership, and Research Scientist Committees, the Editor-in-Chief of the *AJNR*, and representatives of the Subspecialty Groups recognized by the Advisory Council, as governed by the provisions of Articles VIII and X of the ASNR Constitution.

Nomination for and election to these positions, other than the Subspecialty Groups representatives, the chairs of Health Policy, Research, and Education Committees, shall be governed by the provisions of Article VIII of the ASNR Constitution.

Nonvoting members include a Member-in-Training, the Editor-in-Chief of *Neurographics*, the chairs of the Young Professional, Health Policy: Economics, Health Policy-Quality, Safety and Value, Health Policy: Standards and Guidelines, International Collaborations, Specialty/Regional Societies, Technical Exhibits, Website and Social Media, Evidence-Based Medicine, and Computer Science and Informatics Committees, as well as the Trustees of the FASNR. The representative of the ASNR to the American College of Radiology (ACR) Council or their alternate shall also serve as a non-voting member of the Advisory Council (unless empowered to attend and to vote in accord with other provisions of the Constitution).

### Responsibility

...Shall contribute to the Continuing Medical Education and scientific programming of the Society by working in conjunction with the Program and Education committees towards these educational and scientific goals.

...Shall be empowered to advise the Board of Directors on business of the Society.

...Shall vote to select a slate of nominees (submitted by the Nominating Committee) to elect officers of the Society, voted on by the *Senior* membership.

...Shall approve Subspecialty Group representation to the Advisory Council. Subspecialty Group representation shall consist of one voting representative to the Advisory Council of the ASNR, or their alternate from each Subspecialty Group. A Subspecialty Group’s representation may be reviewed as needed by the Advisory Council, and will be routinely reconsidered every 3 years.

...Shall vote to select award winners recommended by the ASNR Awards Committee (Gold Medal, Honorary Member, and the Foundation of the ASNR Outstanding Presentation Award).

...May request the Ad Hoc Rules Committee to prepare proposed amendments to the Constitution.

### Goals

**Primary Goal:**

To advise the ASNR Board in meeting the ASNR Strategic Plan Goals and Initiatives:

**Continuing Goals:**

- **Strategic Goal 1:** Enhance ASNR’s role as the leader in neuroradiology.
- **Strategic Goal 2:** Deliver relevant and timely education and information that is relevant to the practice of neuroradiology.
- **Strategic Goal 3:** Recognize and promote neuroradiology as vital to quality patient care.
- **Strategic Goal 4:** Promote ASNR and the Foundation’s neuroradiology research efforts to support established strategic initiatives.

### Accountability

to the ASNR membership through the President.
