

ASNR 60th Annual Meeting and Symposium Neuroradiologicum XXII

CALL FOR ABSTRACTS

ASNR22 and SNR XXII are accepting abstracts for 2022!

The Symposium Neuroradiologicum XXII will be held on May 14-16, 2022. The SNR XXII will be followed immediately by the 60th Annual Meeting of the ASNR on May 16-18, 2022. Both meetings will be held in person and virtually.

SUBMISSION DEADLINE:

Monday, November 1, 2021 (11:59 PM ET)

Submit online at <https://www.aievolution.com/asn2201/>

Acceptance notifications will be sent on or before January 17, 2022, upon conclusion of peer review.

ABSTRACT SUBMISSION INFORMATION AND CRITERIA

1. By submitting an **Oral** abstract, you agree that the presenting author will register, attend and present in person. By submitting an **Excerpta, Electronic Poster or Educational Exhibit** abstract, you agree that the presenting author will register, attend and present virtually OR in person.
2. Presenters of accepted abstracts must register at their own expense for ASNR22 and/or SNR XXII.
3. All authors must have disclosure on file in the submission system. Remove authors with missing disclosures prior to submitting abstracts. Email education@asn.org to add authors after the submission deadline.
4. The use of charts, tables and graphics are encouraged if relevant to the research submitted.
5. DO NOT SUBMIT DUPLICATE ABSTRACTS IN MULTIPLE CATEGORIES OR SUBMISSION TYPES.
6. Changes can be made to submitted abstracts until the deadline.
7. Available ASNR awards include the Cornelius Dyke Memorial Award, Outstanding Oral Presentation Awards, Educational Exhibit Awards, and the David M. Yousem Research Fellow Award.
8. The *American Journal of Neuroradiology (AJNR)* and *Neurographics* encourage presenters to submit manuscripts based on their work to *AJNR* or *Neurographics* before considering other journals.

ASNR22

SNRXXII

May 14-18, NYC • Reconnecting the Global Neuroradiology Community

FOR EACH ABSTRACT

- Maximum length, not including title, authors, or images:
 - Scientific Oral/Poster or Educational Exhibit: 2,500 characters
 - Excerpta: 1,000 characters
- Submission site allows uploading of a single JPG file with each submission. This single JPG may contain multiple images, graphics and tables. Only one graphic file may be submitted with each abstract. This single JPG can contain multiple images, graphics and tables.
- At least one reference is required, and up to five references may be included. References should be formatted according to *AJNR* author instructions.

SUBMISSION CATEGORIES

SCIENTIFIC ORAL PRESENTATION – will be included during ASNR ONLY

- 5-minute presentation plus shared session discussion that summarizes details of original investigative research.
- Required abstract format: Purpose, Materials and Methods, Results, Conclusion.

ELECTRONIC SCIENTIFIC POSTER – will be shown during both meetings

- A visually oriented educational presentation, highlighting the unique didactic advantages of the computer format and focus on its interactive potential.
- Required abstract format: Purpose, Materials and Methods, Results, Conclusion.

ELECTRONIC EDUCATIONAL EXHIBIT – will be shown during both meetings

- A visually oriented educational presentation. Electronic Educational Exhibits highlight the unique didactic advantages of the computer format and focus on its interactive potential.
- Required abstract format: summary of the planned presentation and list of educational objectives. Consider use of Purpose, Materials/Methods, Results and Conclusion when appropriate.
- Live presentation time for select exhibits.

EXCERPTA (ePOSTER) – will be shown during both meetings

- Excerpta should be presented by trainees (resident, registrar, fellow or medical student).
- Dynamic electronic slide presentation that teaches a lesson, states and illustrates a problem in diagnosis, or focuses on noteworthy radiologic appearances of specific diseases, disorders or anomalies.
- Required abstract format: Clinical History, Imaging Findings, Discussion, Teaching Point. Excerpta abstracts must include one figure.
- Excerpta abstracts will be posted on the WFNRS website after the meeting.
