**RE: Nomination of Henry H. Woo, MD, to the AMA CPT Assistant Editorial Board**

Dear Drs. Synovec and Jagmin:

The undersigned organizations are pleased to support Henry H. Woo, MD, for the open seat for a surgeon representative on the AMA CPT Assistant Editorial Board. Nominated by the American Association of Neurological Surgeons (AANS) and the Congress of Neurological Surgeons (CNS), Dr. Woo would be an excellent addition to the board.

A practicing neurosurgeon at North Shore University Hospital in Manhasset, New York, Dr. Woo has served as the CNS CPT Advisor since 2014. He has been a valuable resource to CPT stakeholders on numerous subjects, including complex cerebrovascular coding issues, which often involve many codes and specialties. He works well with other specialty society physicians and staff and is dedicated to improving CPT coding for all users.

We are confident that Dr. Woo would be thoughtful and thorough in the performance of the duties of a board member. He is committed to clear, concise and accurate coding education.

Thank you for giving us this opportunity to support the AANS/CNS nomination of Dr. Woo.

Sincerely,

Erin Simon Schwartz, MD, FACR
