**HANDLING OF EXHIBITOR MATERIALS and STORAGE**

It is necessary for exhibitors to arrange directly with the official service contractor for unloading, delivery of displays to the exhibit floor, installation, dismantling, and packaging at the end of the meeting. By completing the drayage order form that will be included in the Technical Exhibitor Service Kit, exhibitors can arrange for the service contractor to perform material handling once their freight has arrived on site at Caesars Palace. Drayage (also referred as Material Handling) service includes the following: unloading of truck at show site, delivery to booth, and movement of empty crates for return shipment.

Loading docks are for loading and unloading only. All vehicles left in loading area will be towed away at the owner’s expense. When loading and unloading items you must enter and exit through loading dock area only. No carts, cases, or boxes will be allowed through public entrance doors.

No storage of any kind is allowed behind the backwall drapes, display wall, or inside the display area. The maximum quantity of operation and advertising material that may be stored inside the exhibit is a one-day supply. The service contractor will arrange to remove empty crates upon completion of set-up, and at the close of the exhibit will return them to the exhibitor booth when so instructed in writing. All property of the exhibitor remains under their custody and control in transit to and from the exhibit area and while it is in the confines of the exhibit area.

Caesars Palace cannot accept freight shipments on behalf of exhibitors before scheduled move-in times. Caesars Palace storage space is limited and any delivery arriving before scheduled move-in may be turned away and asked to return at the appropriate time.

**SECURITY, LIABILITY, AND INSURANCE**

**SECURITY**

Each exhibitor must make provisions for the safeguarding of their goods, materials, equipment, and display equipment at all times. General perimeter guard service will be provided at the ASNR 58th Annual Meeting. Neither the ASNR, Caesars Palace nor the guard service will be responsible for loss of or damage to any property for any cause. We recommend locking or removing valuables from your booth nightly.

**LIABILITY**

The exhibitor shall be fully responsible for any claims, liabilities, losses, damages, or expenses relating to or arising from any inquiry to any person or any loss or damage to property where such injury, loss or damage is incident to the exhibitor’s participation in the exhibition (except as otherwise provided in the contract) between the ASNR and Caesars Palace. The exhibitor shall protect, indemnify, hold harmless, and defend the ASNR, its officers, directors, agents, and employees against all such claims, liabilities, losses, damages, and expenses, including reasonable attorney’s fees and costs of litigation, provided that the injury, loss or damage is not caused by the negligence or other wrongful conduct of the ASNR, its officers, directors, agents, or employees.
In the event the exhibit hall is destroyed or damaged so as to prevent an exhibit from occupying assigned space during any part of the exhibition period; or in the event occupation of assigned space during any part of the exhibition period is prevented by strikes, acts of God, national emergency, or other cause beyond the control of the ASNR; the exhibitor will be charged only for space rental and related expenses during the period occupied by the exhibitor. The exhibitor hereby waives any claim against the ASNR, its officers, directors, agents, or employees for losses or damages that may arise in consequence of such inability to occupy assigned space, its sole claim against the ASNR being for a refund of rent paid for the period it was prevented from using the space.

**INSURANCE – CERTIFICATE OF INSURANCE (C.O.I.)**

Exhibitors should maintain public liability insurance against claims for personal injury, death or property damage in any way connected with the exhibitor’s participation in the exhibition, in the amount of not less than one million dollars ($1,000,000 USD) for any one occurrence. Such insurance must contain a waiver of any right of subrogation as to any claims against the ASNR, its officers, directors, agents or employees. Exhibitors are not required to submit the Certificate of Insurance. A certificate of insurance must be made available upon request.

Failure by ASNR management to request proof of insurance shall not relieve Exhibitor from carrying proper coverage. Exhibitor understands that neither ASNR nor Caesars Palace, or Official General Service Contractor/Vendor(s) maintains insurance covering Exhibitor's property and it is the sole responsibility of Exhibitor to obtain such insurance.

All agents or representative performing services at Caesars Palace directly for any exhibitor other than the exhibitor’s employees must provide the ASNR with original Certificate of Insurance at the same time a request for an exception for Exhibitor Appointed Contractor is made. Copies of Certificate of Insurance are not acceptable.

ASNR and all organizations and individuals by or associated with ASNR 2020 will not be responsible for injury, damage or loss that may occur to an exhibitor, his/her employees or agents, nor to the safety of any exhibit or other property due to theft, fire, accident, or any other destructive causes.
